

## Is the Bible really historically accurate?

### TrueU: Is the Bible Reliable? DVD set

"Do you really believe that what you believe is really real?" Dr. Del Tackett

Everyone asks these questions—but can students confidently and reasonably defend biblical beliefs—and the Bible itself - when peers or university professors challenge their worldview?

In **TrueU: Is The Bible Reliable?** Dr. Stephen Meyer examines Scripture using archeological and documentary data that supports the factual accuracy of the Bible. Do you believe the Bible is real? "The heart cannot exalt in what the mind rejects", says Dr. Stephen Meyer. Using evidence, logic and reason, he offers truth that stands up to scrutiny, and helps viewers confidently defend Biblical truth and the reason for our hope! **Is The Bible Reliable** provides life-changing biblical worldview facts with fascinating insights from the disciplines of archeology and historiography—the critical collection, analysis & compounding of historical data.

**TrueU enables students to respectfully and intellectually engage with professors and peers, both in and outside of the classroom.**

From the creators of *The Truth Project* comes **TrueU**, an engaging DVD series that presents scientific facts supporting a Christian worldview in order to equip Christian youth to defend their faith, especially for public university. **TrueU** series provides a life-long foundation to prepare students to enter the world with a biblical worldview and Christian values.

"Truth stands the test of scrutiny!" - Dr. Stephen C. Meyer
