"How our church Bible study groups grew and benefited from reading all the way through the Old Testament book of Deuteronomy, from beginning to end! The study ***More Grace, More Love: Living in Covenant with God*** led us in that good process, with a constant eye to the larger biblical story of grace fulfilled in the Lord Jesus Christ. George Robertson and Mary Beth McGreevy bring a combination of loving pastoral insight, great theological care, and consistent pointing to the Bible's larger theme of redemption through the One who perfectly fulfilled the law Deuteronomy so eloquently sets forth."
